OUR PHILOSOPHY

Lee Academy strives to further the health and happiness of every student. Our Teachers strive to become mentors to our students and to build the image and strength of the performing arts.

In every class our goal is to provide the best instruction possible to every student, to help each student to reach their full potential, and to help each student to achieve an appreciation for the art of dance and all facets of the performing arts.

It is the role of teachers and coaches to teach all classes in a fun, safe, disciplined environment, and to enhance every student's self-esteem and passion for learning & the performing arts. Lee Academy students are encouraged to have a strong sense of team work and are taught to develop both as artists and individuals in a safe and nurturing environment.

Lee Academy is committed to providing high-quality classes to enhance the overall development of the student. We provide a safe and student-centred environment to encourage our pupils to learn from qualified, nurturing teachers & guided positive experiences.

METHOD OF DELIVERY

Lee Academy has chosen to work in collaboration with a distance education provider in the delivery of the academic subjects in Years 7 – 12. The distance education provider brings with them a wealth of experience in educating vocationally talented dancers all over Australia. Lee Academy & the distance education provider are committed to supporting our students in their educational endeavours & aim to deliver a focused education for motivated learners.

Lee Academy Performing Arts School students can expect high levels of educational support via the distance education provider and fulltime on-site Lee Academy educational tutors.

LEE ACADEMY

ACADEMIC & PERFORMING ARTS STUDIES- HOW IT WORKS

YEARS 7 – 10

Students in Years 7 – 10 are required to complete 4 core subjects.
The 4 core subjects are: English, Math, History/Geography & Science.
The elective for Years 7 & 8 is Certificate I in Dance (CUA10113).
The elective for Years 9 & 10 is Certificate II in Dance (CUA20113).
It is also compulsory for students in Years 7 & 8 to study a language (Japanese).

YEARS 11 - 12

Students in Years 11 – 12 are required to complete 20 points worth of study, to receive a Year 12 certificate.
The following academic subjects will be undertaken by Lee Academy Performing Arts School students in Year 11 & 12 in 2018/2019 :
English, Communications, Pre-vocational Maths & Studies of Society.
The elective is Certificate III in Dance (CUA30113).
These units of study make up a total of 20 points for the Year 12 certificate.

RESOURCES YEARS 7 – 12

Each student is required to provide their own laptop computer & quality, noise cancelling headset/microphone that covers both ears. Once your enrolment is completed and any necessary fees have been paid, all other subject materials will be supplied by the distance education provider. Students also require basic stationary supplies.

DELIVERY OF DISTANCE EDUCATION YEARS 7 – 12

The Lee Academy Performing Arts School is working in collaboration with an outstanding distance education provider. Each student will have lessons with individual subject teachers online, all supported by Lee Academy in-classroom tutors.
A qualified high school teacher is in attendance, supervising, motivating & guiding our students whilst they work on their academic subjects here at Lee Academy.

EDUCATIONAL ENVIRONMENT

The environment for the study of the academic subjects will be in our acoustically sealed, well ventilated classroom with desks, work stations & chairs. Our professional development classroom holds a library of music, books, dvds on all manner of subjects for dance & dancers including anatomy, nutrition, psychology & stagecraft, sheet music & backing tracks.

SAMPLE TIMETABLE

OF A TYPICAL & AMAZING DAY AT

LEE ACADEMY PERFORMING ARTS SCHOOL

Lee Academy has more than 150 after-school classes operating each week in a multitude of genres for all ages & ability levels.

One of the many benefits of being a student at our performing arts school is the fees for these classes are included in tuition fees for the school.

Classes on offer in the after-school programs include showgroups, RAD ballet classes, eisteddfod teams & more. Students can take any of these classes in their correct age group & ability levels.

The school tuition fee does not cover the cost of RAD ballet exam entry fees, eisteddfod fees, costumes, private lessons, acrobatic level grading, excursions, uniforms & extra-curricular activities. However, these are all wonderful services that are readily available to our school students throughout the year.

School tuition fees INCLUDES an
UNLIMITED

UNIQUE LEARNING OPPORTUNITIES

Juggling the life of a dedicated performing arts student with academic studies can be a real challenge. The Lee Academy Performing Arts School affords students the opportunity to have a comprehensive performing arts education as well as complete academic schooling up to Year 12. Our expertly devised timetable balances the students' commitment to learning, leaving them time for family, personal & social development & physical recovery.

We understand that not every student has had the opportunity to train across a wide variety of dance styles, singing, acting & gymnastics that the existing Lee Academy programs offer. Attending the Lee Academy Performing Arts School provides students with exposure to this versatile curriculum of study, giving them an advantage when commencing fulltime study in the higher level vocational qualifications in the performing arts. Applicants do not need to have a lot of experience or strength in every style to audition for The Lee Academy Performing Arts School.

YEARLY ENTRY

Students can enrol in the Lee Academy Performing Arts School at the beginning of each academic year. New students are accepted into each year group every year. Applications for entry in 2018 are currently open. Deadline for all applications into the high school close on 30th September 2017.

LEARNING OUTCOMES

Lee Academy has specific, measurable & tangible learning outcomes, which are constantly & consistently monitored by the teaching team. The most important factor for a student's future success is their attitude toward learning & personal development. The Lee Academy Performing Arts School suits diligent, independent learners with the physical potential and the desire to pursue a career in the performing arts.

PERFORMANCE OPPORTUNITIES

Lee Academy's first class standard is reflected in the end of year performance which is a celebration of the hard work & passion put into the year by our whole team. Lee Academy Performing Arts School students will have the opportunity to be involved in a professionally choreographed performance, showcasing each individual's talent on stage at a beautiful professional theatrical venue. The Lee Academy Performing Arts School students also have the opportunity to perform competitively. Lee Academy has a history of winning & success, great sportsmanship & unique, original routines.

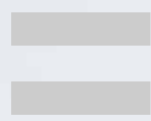

PASSION DEVELOPED

Lee Academy appreciates the unique talents of the individual. We celebrate diversity within the arts as well as cultural & personal differences in our students. Our programs are designed to enable our students to discover where their talents lie & often uncover many new ones. Lee Academy has a wonderful family atmosphere. It's a great place to be & grow as a performer. Lee Academy students will benefit from being in classes alongside peers of their own age & ability level. Additionally, students will have exposure to a wonderful network of performing artists in pre-professional training & fulltime arts courses & working industry professionals.
